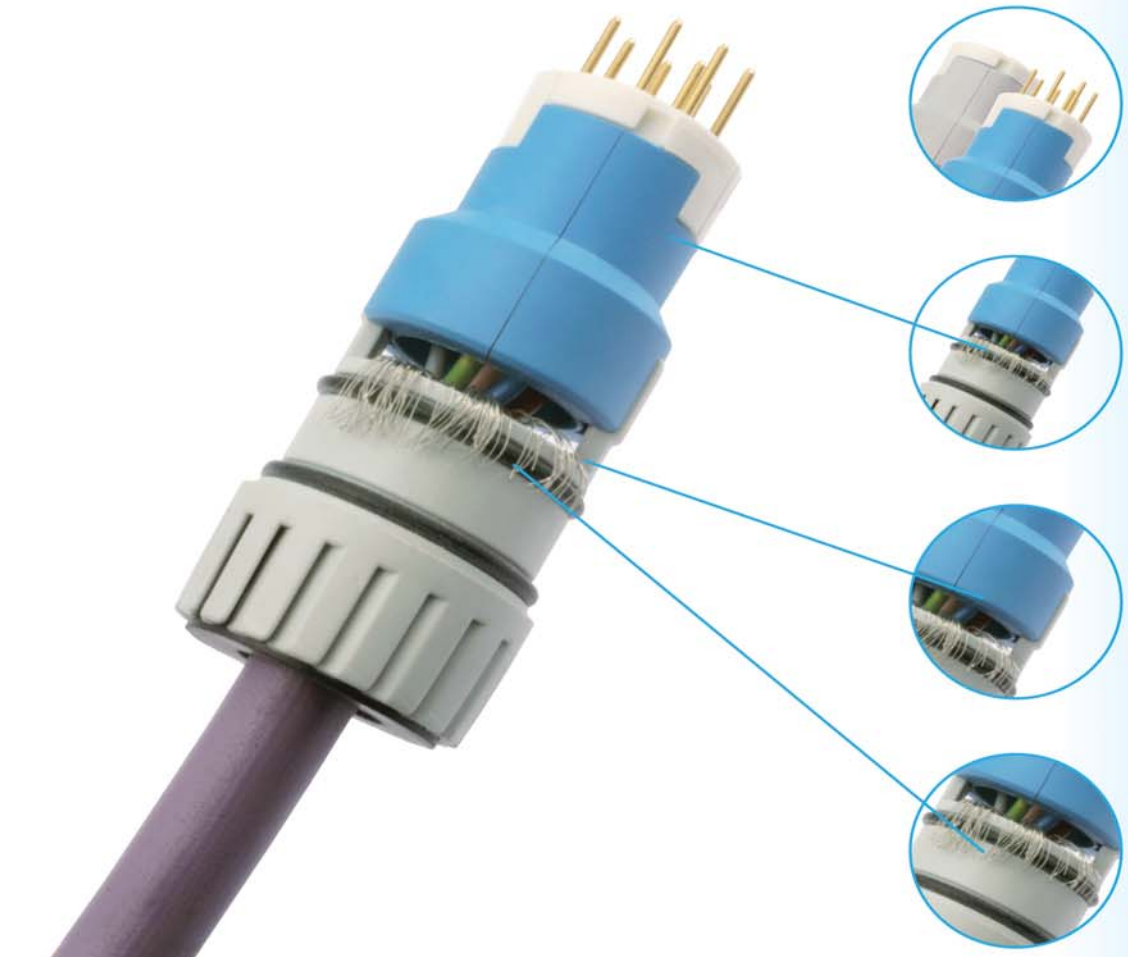
User friendly assembly

+ Clear and modular structure of all connector series
+ Patented modular strain relief insert and contact insert
+ One step cable assembly and shielding
+ Simple, quick and reliable assembly into the connector housing



Colour coding of spacers for male and female inserts

Cable assembly and shielding is possible in a single operation.

Strain relief insert with four fingers, secured in a recess, prevents cable rotation.

Flexible EMC-O-ring guarantees reliable EMC-protection for light and heavy braided shields.
