

WHY use a Sealcon Product?

Why not offer the best solution? If you want to solve a Strain Relief requirement – Don't settle for less – Let's make everyone a winner!

If you are looking for a cord grip to seal a connection in a dust tight, hose down, submersible or hazardous application – the Sealcon design with its NEMA 4X and 6 (IP68 and IP69K) and 150 PSIG pressure rating as well as V0 flammability rating according to UL 94, is unsurpassed.

Where to use Sealcon:

Solar, Wind, Oil & Gas (ATEX/IECEX), Pool & Spa, Car Wash, Dairy, Food & Beverage, Pharma, Telecom, Automotive, Traffic, Robotics, Medical, Packaging, Automation, Marine, and many more Industries for Pumps, Filters, Fans, Transducers, Sensors, Scales, Flow Meters, Lighting, Motors, Encoders, Power Supplies, Antennas, Harnesses etc.

- STRAIN RELIEF:**
- NEMA 4x and 6 or **IP68** – submersible! Also meet **IP69K!**
 - **150 PSIG** (10 bar) pressure rating - highest in the industry
 - **V0** flammability rating / halogen & phosphorous-free - unsurpassed!
 - **UV and Ozon stable UL f1 746C** rating on black Nylon Fittings!
 - **O-Ring Groove** and **Ratchet** for increased safety!
 - Overlapping clamping splines on form seal - without damage to the cable
 - Meet **UL, CSA, CE** and **VDE** standards - **RoHS, DecaBDE**
 - **Explosion proof** Fittings (ATEX/IECEX) for armored/non-armored Cable
 - Large inventory in Denver – no minimum purchase requirement!
- CONDUIT:**
- Corrugated Liquid Tight in Nylon, and Superflex with Fittings.
- CIRCULAR CONNECTORS:**
- IP67 rated **M16, M23, M27 & M40** Signal & Power, **Fast Ethernet PoE**
 - 3-28 solder & crimp contacts for **Signal**, 6 & 8 crimp contacts for **Power**
 - **Straight, Elbow, EMI, RJ45, over mold, 316 Stainless** and **Twintus**
- ENCLOSURES:**
- NEMA 4X/IP65 Polycarbonate, PC/EMI, Polystyrene, ABS, Polyester, Aluminum, Steel and Stainless Steel Enclosures (EMI shielding, solid or transparent lids, smooth or with PG/Metric knockouts, membrane flange, extension frames, hinges & latches)
- From our sister company Hi-Tech Controls, we make available...*
- CABLE:**
- Harmonized Cable with CE approval, UL, CSA, flexible Cables
