

## 303/316L Stainless Steel

Industrial & Hazardous (EX) Applications

Sealcon offers Stainless Steel options for corrosion and oxidation prone applications:

- **Architectural / Civil Engineering**
- **Chemical / Pharmaceutical**
- **Food and Beverage**
- **Medical**
- **Oil and Gas**
- **Transportation**
- **Water**

Lighting, Communications, GPS, Military, and Navy Pressure Vessels, Process Piping, and Centrifuges Ovens, Conveyors, Brewing, Distilling, and Food Processing Surgical Equipment, MRI Scanners, and X-Ray Platform Accommodation, Cable Trays, and Communication Railroad, Road Equipment, and Ships/Marine Equipment Sewage/Water Treatment, Water Tanks, Filtration, and Flow

### Cable Glands

**FP GLAND**  
HYGIENIC DESIGN

**RG GLAND**  
HYGIENIC DESIGN

**EXIOS**  
FOR OIL & GAS

### Locking Nuts

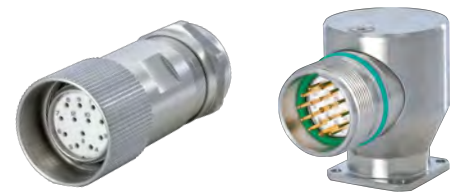

### Reducers

### Hex Plugs

### Signal

### Power

### Ethernet (RJ45)
