

PRODUCT SPOTLIGHT

M23 Power Connector

Motion Control, Motors, Robotics, Servo Drives, Conveyors

Circular Connector Features -

- Simple and quick modular structure
- One step cable assembly with optional EMI shielding
- SLS (Spring Loaded Sockets) for vibrating environments
- No tools needed to insert and extract contacts
- Patented Euro-Lock
- Screw & Quick Disconnect Options (Twilock)
- Liquid Tight Rating - NEMA 4x, IP67/IP69K

Mechanical Data -

- Housing Surface - Nickel Plated Brass, 316 Stainless Steel
- Contacts - Gold-Plated Brass Alloy
- Type of Contacts - Crimp
- Number of Contacts - 6, 8
- Wire Gauge - 24-12 AWG
- Amp Rating - 8-28 A
- Voltage Rating - 300-800 V
- Cable OD - .28" - .67" (7-17 mm)

Operating Temperature -

- -40°C to 125°C (- 40°F to 257°F)
